SACHI A. HAMAI
EXECUTIVE OFFICER

Dear Supervisors:

**AGREEMENT TO PURCHASE
"TAX DEFAULTED SUBJECT TO POWER TO SELL" PROPERTY
SUPERVISORIAL DISTRICT 4 - AGREEMENT 2661
(3 VOTES)**

SUBJECT

The Redevelopment Agency of the City of Bellflower is seeking to buy one (1) tax defaulted property through the Chapter 8 Agreement sale process. The Chapter 8 Agreement sale is designed to allow eligible government agencies and non-profit organizations the opportunity to buy tax defaulted properties for a qualifying public purpose or benefit. The Redevelopment Agency of the City of Bellflower intends to utilize the property for City park purposes.

IT IS RECOMMENDED THAT YOUR BOARD:

Approve and instruct the Chair to sign the Purchase Agreement of "Tax Defaulted Subject to Power to Sell" property being acquired by the Redevelopment Agency of the City of Bellflower (public agency) pursuant to the Revenue and Taxation Code, with revenue to be provided to recover a portion, if not all, of back property taxes, penalties, and costs on the delinquent parcel and any remaining tax balance to be cancelled from the existing tax rolls; and approve publication of the Purchase Agreement of "Tax Defaulted Subject to Power to Sell" property.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The property described in the agreement may be sold in accordance with the provisions of Division 1, Part 6, Chapter 8 of the Revenue and Taxation Code and with the policy adopted by Board action on November 24, 1970. Exhibit "A" attached to the Agreement, indicates the legal description and selling price of the parcel.

Upon approval, the attached agreement is to be signed by the Chair and returned to the Tax Collector for transmittal to the State Controller for further approval. County Counsel has approved the agreement as to form.

The Chapter 8 Agreement sale procedure permits public agencies to acquire "Tax Defaulted Subject to Power to Sell" properties without the necessity of a public auction. The property described in this letter will be acquired by one (1) public agency. The agreement is with the Redevelopment Agency of the City of Bellflower, which intends to utilize the property for City park purposes.

Implementation of Strategic Plan Goals

Approval of the agreement is in accordance with the Countywide Strategic Plan Goals of Fiscal Responsibility and Collaboration Across Jurisdictional Boundaries. Delinquent property taxes and costs are recovered, and a limited-use parcel is identified for appropriate public purposes.

FISCAL IMPACT/FINANCING

Revenue will be provided to the County for apportionment among the affected taxing agencies, which will recover a portion, if not all, of back property taxes, penalties, and costs on the delinquent parcel. Any remaining tax balance will be cancelled from the existing tax roll.

Existing appropriation is available in the Treasurer and Tax Collector budget for publication costs. Publishing, in accordance with Section 3798 of the Revenue and Taxation Code, is the most cost-effective method of giving adequate notification to parties of interest.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Chapter 8 Agreement sale procedure permits eligible public agencies to acquire "Tax Defaulted Subject to Power to Sell" properties pursuant to Section 3791, et seq., of the Revenue and Taxation Code.

Attachment "A" is a summary of the public agency's purchase. This attachment indicates the affected Supervisorial District and the public use for which the property is being acquired. County Counsel has approved the agreement as to form. Attached to the agreement is the Assessor's parcel map showing the dimensions and general location of the affected parcel.

Efforts will be made to contact the owners and parties of interest to inform them of their tax liabilities and the provisions for the redemption of the property pursuant to Section 3799 of the Revenue and

Taxation Code.

Section 3798 of the Revenue and Taxation Code mandates notice of agreements to be published once a week for three (3) successive weeks in a newspaper of general circulation published in the County.

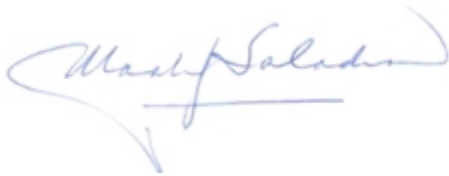

IMPACT ON CURRENT SERVICES (OR PROJECTS)

No impact.

CONCLUSION

Upon approval of the attached agreement forms, the Department of Treasurer and Tax Collector will need all original documents returned for submission to the State Controller, as the State Controller's Office has the final approval of this and all Chapter 8 Agreements.

Respectfully submitted,

REDEVELOPMENT AGENCY

Mission Statement

The Mission of the Redevelopment Agency of the City of Bellflower is to eliminate blight through funding of capital improvements and cooperation with the private development community in realizing the economic development goals of the City. Additionally, the Agency is required to increase and improve the community's supply of affordable housing for persons of low and moderate income.

Agency Description

The Bellflower Redevelopment Agency was created on April 9, 1990 through the adoption of Resolution No. RA-90-4. Ordinance No. 768 was later adopted on July 8, 1991 to approve the Redevelopment Plan for Bellflower Redevelopment Project Area No. 1.

The Agency's policy in the formation of the Project Area has been focused on areas that have obvious blighting characteristics and conditions. The Project Area is described below:

The area included in the Project Area contains a total of 25,999,286 square feet (596.9 or .93 square miles) of land area distributed over 857 individual parcels, including the various streets within the Redevelopment Area. The General Plan of the City of Bellflower designates the property within the Project Area as commercial, residential, and industrial. The Project Area is configured in roughly a "U-shape" running primarily along three of the major commercial arterial highways of the City - south along Lakewood Boulevard, east along Artesia Boulevard, and north along Bellflower Boulevard. The Project Area also includes the Santa Fe Railroad right-of-way running northwest to southeast, the Artesia Freeway right-of-way running east to west, and Caruthers Park in the central Flood Control Channel in the central eastern portion of the City.

The Redevelopment Plan was legally challenged and was inactive for four years. The 1995-96 fiscal year was the first year that the Agency was able to implement redevelopment and economic development activities with the Project Area.

Assembly Bill 1290, also known as the Community Redevelopment Law Reform Act of 1993, became effective on January 1, 1994, as Section 33490 of the California Health and Safety Code ("the Code"). AB 1290 requires that each redevelopment agency prepare and adopt a five year implementation plan ("Plan") and updates.

The Implementation Plan and its updates are required to describe the specific goals, objectives, programs and expenditures of the Agency, and an explanation of how these goals, objectives, programs and expenditures will eliminate the blight within the Project Area. The Plan is also required to contain an annual housing program, a discussion of the number of housing units expected to be developed, rehabilitated, price-restricted, otherwise restricted, or destroyed, and the details of how the Agency plans to use its Low and Moderate Income Housing Fund. Additionally, if any project is expected to result in the destruction or removal of low and moderate income dwelling units, the Plan must identify proposed locations suitable for replacement of those units.

Implementation plans throughout the state were required to be adopted, after a public hearing, before December 31, 1994, and each five years thereafter. However, because legal action was taken to challenge the validity of Bellflower's Redevelopment Plan, the first Implementation Plan was required to be adopted within six (6) months after the judgment upholding the validity of the Redevelopment Plan, or by September 30, 1995, and each five years thereafter. On August 28, 1995, the Agency adopted their first Implementation Plan.

At least once within the five-year term of this Plan, the Agency must conduct a public hearing for the purpose of reviewing the Plan and evaluating the progress of each project identified in the Plan.

On December 8, 1997, the Agency Board approved the update to the Agency's State-mandated implementation plan. On January 12, March 9, and April 13, 1998, staff returned to the Board to request guidance as to which projects and programs held the greatest import for Board members.

The five City Councilmembers are the governing board for the Redevelopment Agency; however, the City and the Agency are two separate, distinct legal entities. The Agency shares City staff to carry out the day-to-day operations and its redevelopment plans. The Agency staff is responsible for implementing the goals of the Agency through its adopted programs.
